

2010 Annual Meeting of ITS Midwest
at Argonne National Laboratory

No Boundaries: ITS Difference Makers

Nov. 4-5, 2010, Argonne National Laboratory

Final Program

Last modified: Nov. 4, 2010

“No boundaries: ITS Difference Makers”

Final Program

2010 Annual Meeting of ITS Midwest
November 4-5, 2010 - Argonne National Laboratory, Argonne, IL

| Day 1 – November 4th, 2010 | | |
|--|---|---|
| 8:00 AM | Registration | |
| 8:30 AM | Welcome | |
| 8:45 AM | Session: Interagency Operations | |
| | Indiana Incident Response | Major Thomas Melville, Indiana State Police - INTime |
| | Kentucky Incident Management | Todd Hood, Northrop Grumman |
| | Improving the Safety of Mobile Lane Closures | William Vavrik, Applied Research Associates, Inc. |
| | LMIGA - Interstate Operations and Coordination | Abby Malloy, Illinois State Toll Highway Authority - TCC Work Group Leader - LMIGA |
| 10:15 AM | Technology Provider Showcase | |
| 10:45 AM | BREAK - Technology Provider Open House | |
| 11:00 AM | ITS Midwest Business Meeting | |
| 12:00 PM | LUNCH - Keynote Speaker | Don Hillebrand, Argonne National Laboratory |
| 1:15 PM | Session: Active and Adaptive Technologies | |
| | Integrated Corridor Management | Jeff Benson on behalf of Bayne Smith, URS |
| | Transit Signal Priority Analysis, Design, and Implementation – A Case Study of Euclid Corridor in Cleveland, OH | Vinod Dega, Wilbur Smith Associates |
| | Pace Transit Signal Priority Initiative | Kevin O'Neill, URS (on behalf of Taqhi Mohammed, PACE - Sr. Transit ITS Engineer) |
| | TravelMidwest Migration and Enhancement | John Dillenburg, University of Illinois at Chicago |
| 2:45 PM | BREAK - Technology Provider Open House | |
| 3:00 PM | Session: New and Now | |
| | City of Chicago Modelling | Professor Zongzhi Li, Illinois Institute of Technology |
| | Federal Initiatives in Transportation Operations | Chris DiPalma, FHWA |
| | Adaptive Signals | Chris Day and Tom Brennan, Purdue, and Jim Sturdevant, INDOT |
| | Computational Resources for State of the Art Transportation Research | Hubert Ley, Director - Transportation Research and Analysis Computing Center at Argonne |
| 4:30 PM | Networking and Exhibitor Showcase | |
| 5:30 PM | Depart for Dinner - TRACC, DuPage Airport Flight Center 3rd Floor, 2700 International Drive, West Chicago, IL 60185 | |

| | The Freight Frontier Paul Belella, Delcan |
| 10:00 AM | BREAK - Technology Provider Open House |
| 10:30 AM | Session: Pushing the Envelope |
| | The Holy Grail of Arterials Jon Nelson - Lake County Passage, David Zavattero - City of Chicago, Joseph Brahm - Delcan |
| | Advanced Visualization for Transportation Planners Michael Hope, Transportation Research and Analysis Computing Center at Argonne |
| | Imagine a Time When... A Look into the Future of Traffic Incident Management Steve Cyra, HNTB |
| 12:00 PM | Tours |
| | Argonne Transportation Facilities |

2010 Annual Meeting of ITS Midwest
November 4-5, 2010 - Argonne National Laboratory, Argonne, IL

EVENT SPONSORS

We thank the following sponsors for their generous contributions and their commitment to the success of the 2010 ITS Midwest Annual Meeting:

Silver Sponsors

AECOM

AECOM is a global provider of professional technical and management support services to a broad range of markets, including transportation, facilities, environmental, energy, water and government.

Web: <http://www.aecom.com>

Delcan

Delcan has over 25 years of award-winning experience in applying leading edge technologies to meet your system needs. As a pioneer, and one of the top Intelligent Transportation Systems (ITS) consultants in the world, we provide a full range of services and products.

Go to www.delcan.com to see our range of Transportation, Water and Information Technology expertise.

Web: <http://www.delcan.com>

HNTB Corporation

HNTB Corporation is a multidisciplinary firm working in transportation, bridges, aviation, architecture, urban design and planning, environmental engineering, water and construction services.

Web: <http://www.hntb.com>

Jacobs Engineering Group Inc.

Jacobs Engineering Group Inc. is one of the world's largest and most diverse providers of professional technical services, offering full-spectrum support to industrial, commercial, and government clients across multiple markets.

Web: <http://www.jacobs.com>

RW Armstrong

RW Armstrong is a global consulting firm uniquely positioned to transform your project from concept to completion. From inspiration to reality. No single group is better suited to work directly with you for all program management, design, planning, and construction management needs. By bringing years of experience, focused areas of expertise, distinctively creative strategies, and workable solutions to every client, RW Armstrong adds significant value beyond traditional scope-of-work parameters.

2010 Annual Meeting of ITS Midwest
November 4-5, 2010 - Argonne National Laboratory, Argonne, IL

EXHIBITORS

We thank the following exhibitors for helping make the ITS Midwest annual meeting a great event to learn about leading-edge ITS products and services:

- ASTI
- Belden / Hirschmann
- Cohu
- Comnet
- Consensus Systems Technologies
- Daktronics
- Delcan
- Fiber Connections
- GarretCom
- High Sierra Electronics
- IFS
- Image Sensing Systems
- Imago North America
- Iteris
- Moxa
- Op Telecom
- Open Roads Consulting
- Rugged Com
- Sensys Networks
- Skyline Products
- TAPCO
- The Hoosier Company
- Traffic Control Corporation
- Travel Midwest
- Ver-Mac

About ITS Midwest

ITS Midwest is one of the oldest state chapters of ITS America. Our mission is to promote the development and deployment of intelligent transportation systems in our region and beyond. Our members are involved in all facets of planning, development, deployment and research, and include State DOTs, transportation and planning organizations, private companies that provide ITS products and services, research organizations, academic institutions, and other private and public organizations with an interest in transportation.
