Join us for our 2020 **Virtual** Annual Meeting!

The 2020 ITS Midwest Annual Meeting will be 100% virtual. "Championing ITS for 25 Years" will be the Virtual Annual Meeting theme. During the online event we will also host a Virtual Trade Show that event participants will have access to.

We invite everyone with an interest in ITS to register and tune in to hear the latest from partners and industry leaders and to find out about the product innovations. Learn how experts are helping to shape the future of connected transportation and how you can too. Going digital allows for even more members of our community to be part of the Annual Meeting.

Register now and tune in on November 5th, when we will bring all presenters, conversations, and vendors straight to your favourite device!

For more information visit www.itsmidwest.com/2020-Annual-Meeting/

REGISTER TODAY!

Register online as an attendee, speaker, sponsor or exhibitor at the 2020 ITS Midwest Virtual Annual Meeting. **Early Bird registration rates will be available through October 10th**. After October 10th, regular registration rates will apply.

Be sure to also take advantage of member discounts by becoming a member or renewing your membership in ITS Midwest before registering for the meeting. For more information about Membership visit www.itsmidwest.com/membership/

It's time to secure your spot at #itsmw20 for an online ITS event you don't want to miss: www.itsmidwest.com/2020-Annual-Meeting/register/
