Join us for our 2020 **Virtual** Annual Meeting!

While the Annual Meeting was originally intended to be an in-person event to be held at the Galt House Hotel in Louisville, Kentucky the Organizing Committee and the Board have decided that our best course of action is to err on the side of caution and transition the 2020 in-person event to a virtual platform. **The 2020 ITS Midwest Annual Meeting will be 100% virtual.**

"Championing ITS for 25 Years" will remain the Virtual Annual Meeting theme. During the online event we will also host a Virtual Trade Show that event participants will have access to.

Find the full announcement regarding the format switch at: www.itsmidwest.com/2020-Annual-Meeting/

More details will be posted as soon as they are available. Please be patient and stay tuned.

See you this fall online!
